**I still believe
justice can be caught.
Maybe that makes me
naïve.**

**But I've seen
what injustice does.
So I'll keep chasing jus-
tice—

CRAIG SIMMONS

"It's a pity
you're not as
attractive as

are."

Marlon Brandon Kent

**"My parents' obsession
gave me a name
too big to carry.
I wore it like a fight
I never chose.
Every day left its mark.
That's how I learned
I fight for those
who can't,
with presence, not fists.
For those with neither,
I stand in their place."**
